Separate exam Yes

Separate exam

Exam Type EN Projektaufgabe im Team bearbeiten (z.B. im Praktikum)

Details Project results have to be presented by the project team in an oral presentation. Additionally, a written documentation of the project has to be turned in.

Project results (e.g. a resulting video) will be evaluated in terms of professionalism in planning/management, implementation and result. Criteria for suitability for broadcasting of the project (video or audio production) as known from modules TST and VST will be applied.

Minimum standard - written documentation of project
- oral presentation of project
- delivery of project result, e.g. video production
